

## FUTURE SCOPE:

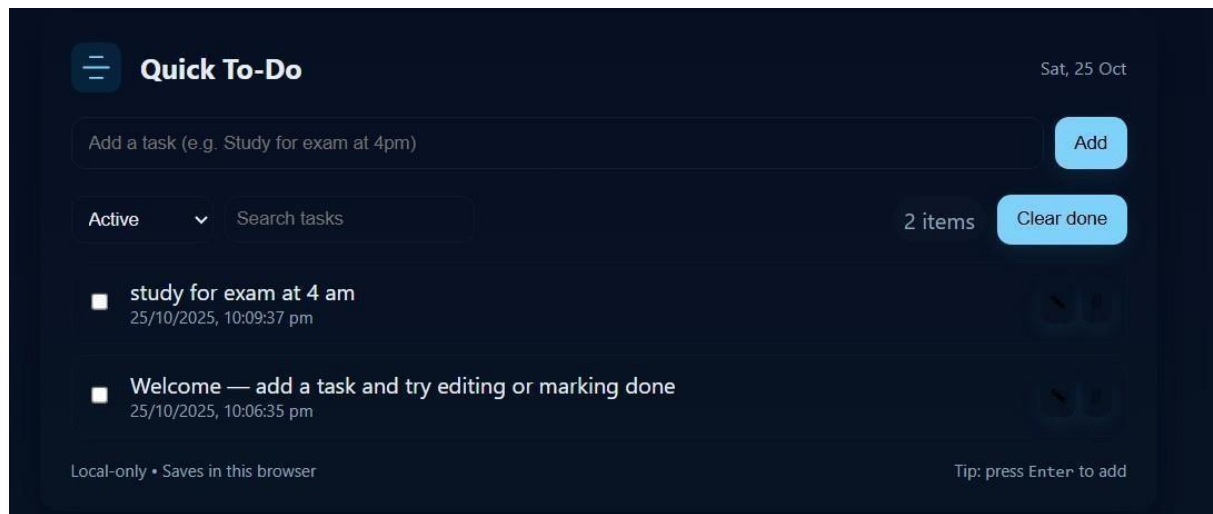

- Integrate with a backend API for multi-device access.
- Add task categories, priorities, deadlines, or reminders.
- Include dark/light themes for better UI.
- Optimize for large task lists and improve accessibility features.

## SCREENSHOTS/API DOCUMENTATION:

A screenshot of a login interface. At the top, there is a dark gray padlock icon followed by the word "Login" in a large, bold, dark gray font. Below this, there is a white rounded rectangle containing two input fields: "Username" and "Password", both with light gray placeholder text. Under the input fields is a solid blue button with the word "Login" in white text. At the bottom of the white rounded rectangle, there is a red "X" icon followed by the text "Invalid username or password" in a red font.

PROGRAM:
